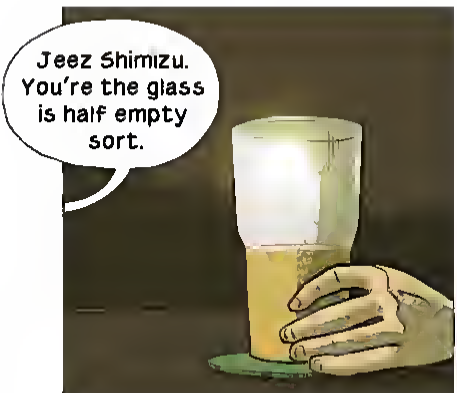
BLAM



Jeez Shimizu. You're the glass is half empty sort.

THE SWORD INTERVAL

BY BEN FLEUTER

What kind of stunt was that, Fall?
WANTED
REWARD

Yeah? And what category are you?

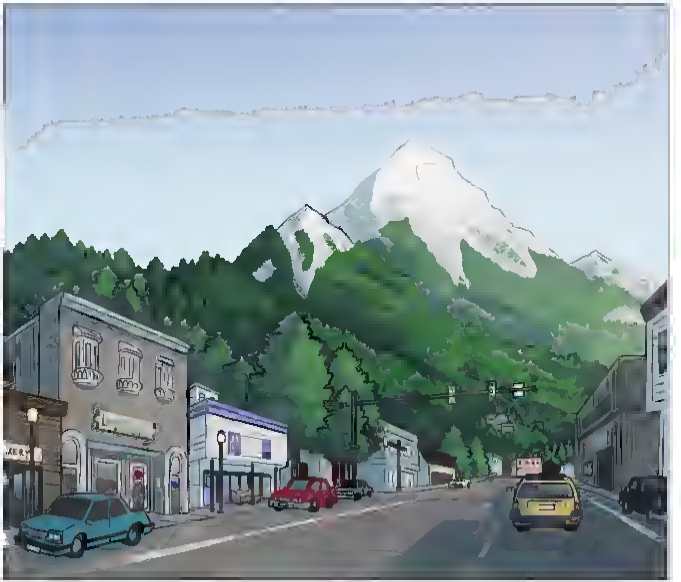
The one that's been doing this long enough to know that no matter why you hunt, that if you act with abandon you die

WHD

Worked, didn't it?

The first wants the fame, admiration, or thrill.
The second only knows how to hurt things, so may as well get paid for it.

AAHR!K!!



It's...
You have to be more careful when dealing with these monsters, especially if you plan on facing something as dangerous as tha Hiarophant.
What do you think you're trying to prove?

The third, and probably most common, have lost someone to the supernatural and want payback.

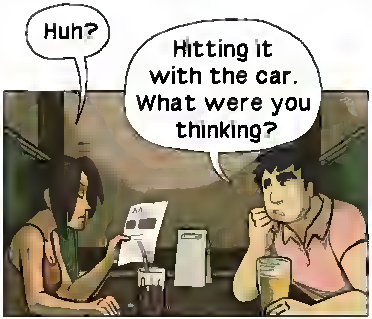
Prove?
No. I think I know. Every hunter I've met falls into one of three categories.

LINE Webtoon

Aw crap, Atlas?
Think I'll just happen to be in the bathroom whan their contact gets hera, okay?

Don't any hunters do it just to save lives?
Not exclusively.

AAAAAAA



Huh?
Hitting it with the car. What were you thinking?

Yeah, we lucked out, but do you have any idea how reckless that was?
Well that "stunt's" getting you like ten grand so...
